

2019 *Spring* Festival Auction

All proceeds raised from the Spring Festival Auction will go directly to help fund field trips, assemblies, CSI Think Tank, community events, and much more. We would appreciate any support to help build the silent auction baskets!

Each Room Coordinator will be choosing basket themes and will ask their class for donations to build a basket. There is no obligation to donate to the auction. All donations are due before Friday, April 19th. Thank you for your support!

For more information you can contact your Room Coordinator or Meggen Gregory, Auction Lead at CSIPTO.SpringFest@gmail.com.
